We are better together. Serving the community needs of 3,000 people annually requires the help of generous, dedicated partners to develop, manage and sustain our 15 healing justice programs. The vast majority of our Program Partners bring their community building assets and assistance to our Peace Campus where we are able to maximize the impact of their efforts. Does your organization have resources, skills or capacity building tools to help heal the hood?

**Areas of Impact**
- Mentorship + Supportive Services
- Restorative Justice + Community Building
- Yoga + Healing Arts
- Urban Farming + Food Access
- Creative Expression

**Sample Partners**
